Sir:

Please consider the following renewed petition.

Remarks

This Petition is to request (i) reconsideration of the Petition under 37 CFR 1.137(b) filed on October 20, 2005; (ii) that above referenced application, which was unintentionally abandoned on August 23, 2005 due to the failure to timely pay the Issue Fee for a Notice of Allowance dated May 20, 2005 and having a response time up to and including August 20, 2005, be revived; and (iii) that the payment of the Issue Fee due from the Notice of Allowance set forth under 37 CFR 1.18(a) submitted on October 20, 2005 be entered.

- 1.) The present application was filed on April 12, 2001.
- 2.) A Notice of Allowance was mailed on May 20, 2005.
- 3.) On August 23, 2005, the Office mailed a Notice of Abandonment for failure to timely pay the issue fee.

- 6.) The entire delay in filing the issue fee in response to the Notice of Allowance dated May 20, 2005, until the filing of this Renewed Petition under 37 CFR 1.137(b) was unintentional. This Renewed Petition is filed within two months of the mailing date of the Decision on the Petition mailed on November 22, 2005.

Application No. 09/833,515
Filed: April 12, 2001
Attorney Docket No. CR-1331

DECISION
ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed October 20, 2005, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

The application became abandoned for failure submit the issue fee and publication fee in a timely manner in reply to the Notice of Allowance and Fee(s) Due, mailed May 20, 2005, which set a statutory period for reply of three (3) months. Accordingly, the application became abandoned on August 23, 2005.

The provisions of 37 CFR 1.137(b) provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

(2) the petition fee as set forth in § 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was

unintentional. The Director may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to 37 CFR 1.137(d).

The instant petition does not satisfy the above requirement (3) since the statement was unsigned and is therefore unacceptable. See 37 CFR §§ 1.4(d)(1) and 33(b).
